"Therefore go and make disciples of all nations baptizing them in the name of the Father, and the Son, and of the Holy Spirit, and teaching them to obey everything I have commanded you."

Matthew 28:19-20

Letter from Rev. Robert L. Cook (1939-2022) - *Late President and Co-Founder of Group Travel Services*

While in seminary, one of my professors Dr. Ralph Earle told me and my fellow classmates that visiting the Holy Land would strengthen our ministry by giving us greater knowledge and understanding of the Bible. His advice was to go even if we had to borrow the money to get there. I took him up on it, and I was never the same. That trip changed my life and helped me see the many benefits found in Travel Ministry!

During my ministry as a Nazarene pastor for over 45 years, I always made it a point to provide Travel Ministry opportunities for my congregation members, friends, colleagues, and acquaintances ever since I journeyed on that first life-changing trip. I wanted to offer a chance for others to grow in their Christian journey, so I organized numerous Mission Trips along with dozens of Christian Pilgrimage Trips to the Middle East, Europe, Asia, South America, the Caribbean, and many other exciting destinations! I could not resist the desire to share these same experiences with others around me, so Group Travel Services was born. Now with over 70 years of combined travel experience, GTS has assisted thousands of people experience God's call to.....*go and make disciples of all nations!*

Helpful Tips in Planning Your Next Trip!

Use only one travel company to get a quote for group air! It actually decreases your chances of getting the lowest price and best schedule for your trip if you try to get quotes from 2 or 3 travel companies at the same time. Most of the time this will result in you getting a higher price for your travel arrangements. Airlines will not give pricing to multiple travel companies for the same group. GTS has 4 or 5 different ways to get pricing for your group! Check with us first! We will work to get you the best pricing, schedules, and travel arrangements for your group, and we will do this with smiling faces and smiling hearts!

Start early! Most airline fares are available 11 months prior to flying. Set up your group airfare as early as possible as this allows you to give accurate pricing to your group without having to guess or estimate what the pricing might be 6 months from now. It allows you to be able to set your due dates according to the airline's deadlines, and once we know your dates and numbers, we can watch for any fare reductions that may come available later. Since deposits in most cases are fully refundable until 3 months prior to your trip, you have time to get your group together, and if necessary, have time to increase seats while rates are low or reduce seats without any penalties!
