Letter from Rev. Robert L. Cook (Pastor Bob) - *Late President of Group Travel Services and Co-founder:*

While in seminary, one of my professors, Dr. Ralph Earle, encouraged me and my classmates to visit the Holy Land to deepen our ministry and gain a richer understanding of the Bible. His advice was simple but powerful: go, even if you have to borrow the money to do so. I took that advice to heart, and that journey truly transformed me. It opened my eyes to the profound benefits of Travel Ministry.

Throughout my 45 years as a pastor, I've made it a priority to offer Travel Ministry opportunities to my congregation, friends, colleagues, and anyone I could. Inspired by that life-changing trip, I have organized countless mission trips and Christian pilgrimage tours to the Middle East, Europe, Asia, South America, the Caribbean, and many other incredible destinations. The desire to share these transformative experiences with others led to the creation of Group Travel Services (GTS).

With almost 40 years of travel experience GTS has helped thousands of people answer God's call to go and make disciples of all nations. Because we've personally experienced these trips, we bring our firsthand knowledge to every journey, ensuring the most rewarding experiences at competitive prices.

Rev. Robert L. Cook (Pastor Bob)

Helpful Tips in Planning Your Next Trip!

Use only one travel company to get a quote for group air! It actually decreases your chances of getting the lowest price and best schedule for your trip if you try to get quotes from 2 or 3 travel companies at the same time. Most of the time this will result in you getting a higher price for your travel arrangements. Airlines will not give pricing to multiple travel companies for the same group. GTS has 4 or 5 different ways to get pricing for your group! Check with us first! We promise to do our absolute best to get you the best pricing, schedules, and travel arrangements for your group, and we will do this with smiling faces and smiling hearts!

Start early! Most airline's fares are available 11 months prior to flying. Set up your group air as early as possible as this allows you to give accurate pricing to your group without having to guess or estimate what the pricing might be 6 months from now. It allows you to be able to set your due dates according to the airline's deadlines, and once we know your dates and numbers, we can watch for any fare reductions that may come available later. Since deposits in most cases are fully refundable until 2 to 3 months prior to your trip, you have time to get your group together and, if necessary, have time to increase seats while rates are low or reduce seats without any penalties!
